

AL-716

The image shows a technical drawing of a curved panel. The panel is light gray and has a curved top edge. It is mounted on a black rectangular base. The text 'AL-716' is centered on the panel. The base has the text 'B-823L' centered on it. The drawing uses thin black lines to define the edges and a thicker gray line to define the panel's surface.

B-823L
