The diagram shows a vertical structure composed of two parts. The upper part is a trapezoidal shape with a vertical left edge, a vertical right edge, a horizontal bottom edge, and a diagonal top edge connecting the top-left and top-right corners. The lower part is a trapezoidal base with a horizontal bottom edge, a horizontal top edge, and two slanted side edges. The text '815S' is centered within the upper trapezoid, and 'PRBS4' is centered within the lower trapezoid.
